### **When HMO Blue Texas Identifies an Overpayment:**

If HMO Blue Texas identifies an overpayment, a refund request letter will be sent to the payee within 180 days following the payee's receipt of the overpayment that explains the reason for the refund and includes a remittance form and a postage-paid return envelope.\* In the event that HMO Blue Texas does not receive a response to their initial request, a follow-up letter is sent requesting the refund.

- Within 45 days following its receipt of the initial refund request letter (Overpayment Appeal Deadline), the physician, hospital or other health care provider may request an appeal/reconsideration of the overpayment determination by HMO Blue Texas by submitting a Physician and Provider Request for Claim Appeal/Reconsideration Review (Claim Appeal) form in accordance with the Claim Appeal/Reconsideration Review Process referred to below. In determining whether this deadline has been met, HMO Blue Texas will presume that the refund request letter was received on the 5<sup>th</sup> business day following the date of the letter.
- If HMO Blue Texas does not receive payment in full within the Overpayment Appeal Deadline, we will recover the overpayment by offsetting current claims reimbursement by the amount due HMO Blue Texas (Recoupment Process) after the later of the expiration of the Overpayment Appeal Deadline or the completion of the Claim Appeal/Reconsideration Review Process provided that the physician or provider has submitted the Claim Appeal form within the Overpayment Appeal Deadline.
- For information concerning the Recoupment Process, see "Recoupment Process – HMO Blue Texas" in the same Refunds/Recoupment section on the BCBSTX Web site as this article.

**Note:** In some unique circumstances a physician, hospital or other health care provider may request, in writing, that BCBSTX review all claims processed during a specified period; in this instance all underpayments and overpayments will be addressed on a claim-by-claim basis.
